ABOUT WONDER WOMAN LLC

Saving the world, one word at a time!

There are many out there who offer content, But *PLOT TWIST!* Many marketing companies that provide these services often utilize "cookie-cutter" stock templates that they reuse for ALL their clients. You deserve high-quality writing that's as unique, and captivating as the superhero services you offer!

We offer copywriting capabilities and a full range of standard and customizable content services including, but not limited to, composing engaging website content, creating an editorial calendar strategy, writing marketing materials, an email marketing and/or newsletter campaign, blogs, and/or an engaging social media strategy. Every writer on our team has gone through an extensive vetting process and is a handpicked expert to be individually matched up to each clients' project to ensure an ideal match. One of the two tenants of WWW LLC is quality content and quick turnaround.

Contact us to let us know what you need, and we'll find the writer for you!

ABOUT JENNIFER "JAY" PALUMBO

Wonder Woman and CEO, Jennifer "Jay" Palumbo has a 20+ year track record that demonstrates a talent for writing, excellent communication skills, a sense of humour as well as a flair to create a social media strategy that promotes user engagement. She's an award-winning blogger and writer whose work has been featured in Time Magazine, Huffington Post, ScaryMommy, The Mighty and multiple respected websites and online magazines covering topics such as infertility, women's health, pregnancy, relationships, parenting, being the parent of an autistic child, fertility treatments and various humorous essays. As an Infertility Subject Matter Expert and Women's Health Advocate, she's regularly asked to speak at several conferences and has been interviewed on news outlets such as CNN, NPR, FOX, NBC and BBC. Each writer that works for WWW LLC is personally vetted by Jennifer and carefully matched to every client because super clients deserve super attention by superhero writers.

Support Our Troops By Supporting Their Family Building Options

Fertility is a bi-partisan issue. I repeat: Fertility and family is a bi-partisan issue. There is no candidate that would ever say they are anti-family. There is also no candidate that would come out as saying that they don't support the rights and care of our Veterans.
